

DECLARATION OF ABSENCE – Self-Employed Worker

Compensation for care of a child affected by a temporary school exclusion measure:

- ✓ schooled in Monaco;
- ✓ schooled in France and covered by CAMTI for health insurance.

To be completed by the self-employed worker who wishes to benefit from the compensation scheme and to be sent to CAMTI.

➤ **Attach an attestation from school about temporary school exclusion order**

I, the undersigned: Registration No

declare on my honour that I stopped all work activities during the periods of absence shown below, to care for my child, who was the subject of a school closure as part of the fight against the spread of Covid-19 and that I was unable to continue working from home:

Explanation of why working from home is not possible:	First day of absence	Last day of absence

I also declare on my honour (please tick the relevant references):

- ☐ that my work is completely suspended (excluding its partial continuation by an employee, friend or family member);
- ☐ that my spouse, my partner, the other parent is in active employment;
- ☐ that he/she is not working from home, nor benefitting from part or total temporary unemployment arrangements or compensation for caring for a child in any way whatsoever;
- ☐ that I am raising my child(ren) alone.
